

# Ripple Ministries of Snohomish

## 2023 Corporate Partnership Program

Thank you for taking a moment to consider this proposal from Ripple Ministries of Snohomish and The Teen Storytellers Project. In these difficult times marked by ramped inflation, wars and uncertain political winds, deciding how to spend your organization's dollars is more challenging than ever. We understand that and are so grateful for your attention to this opportunity to partner with our organization in what we believe will be a mutually beneficial relationship. You will be helping under-resourced and at-risk teens to grow in creativity, skill, social skills and care for their communities. You can support all this while furthering the mission of your company and promote it in a positive light.

The contribution will help fund the work of specialized summer camps and the ability to bring filmmaking education and experiences to under served communities throughout Snohomish County and as far south as Lake City in King County.

Our consistent work with students participating in Denney's Youth Enrichment Services Programs over the past 2 years has earned us the privilege of bringing filmmaking classes to teens in detention. These students need hope for a brighter future and the mentorship of caring instructors. Four more camps are slated for 2023.

Would your company be willing to sponsor the Teen Storytellers Project over the next year for an investment of \$2,000, \$5000 or \$10,000? We want this to be a benefit to your company or organization. Ripple Ministries and the Teen Storytellers Project are offering the following benefits:

### **At the \$2000 level - Supporting Sponsor**

1. A linked acknowledgement will appear on the donor page and footer on our website. Your company will be posted on interior signage at the Teen Storytellers Project Digital Gym. Your logo will appear on the footer of all communications sent to donors, community partners and participating families.
2. Your company will be listed as a **Supporting Sponsor** of the next Annual Ripple Ministries Golf Classic on all literature, emails, as well as on golf course and clubhouse signage. Your organization will receive 2 free individual entries into the tournament at a \$700 value.
3. You will receive discounted rates on any photography session or video production that will put your organization in a positive light, explain a product, or instruct employees.

### **At the \$5000 level - Sustaining Sponsor**
